Estate owned by: Matthew Argyros
 Winemaker: Matthew Argyros
 Total acreage under vine: 104
 Estate founded: 1903
 Region: Santorini
 Country: Greece

Atlantis Rosé 2016

WINE DESCRIPTION

Founded in 1903, the Argyros Estate is located on the island of Santorini, famed for its spiraling vines and white washed churches. In 1950, the Argyros vineyards were passed down to the founder's son, who tripled the estate from 5 to 15 acres. Yiannis Argyros, the third-generation owner of the estate who took over in 1974, began looking beyond the local market for his wines. Today, Matthew Argyros, the fourth generation of family winemakers, continues his father's legacy by making legendary wines from Assyrtiko and other indigenous Santorinian varietals, using traditional techniques.

The estate vineyards are located primarily in Episkopi and Pyrgos, which are prime locations for Assyrtiko. The ungrafted vines range in age from 30 to over 150 years, and are trained into basket-shaped bowls, a traditional technique called "kouloura". The inorganic soil of the island of Santorini is naturally immune to Phylloxera and many other vineyard pests, reducing the need for synthetic herbicides & pesticides. Estate Argyros practices sustainable viticulture, using composted grape must as fertilizer, and plowing the vineyards with mules.

ABOUT THE VINEYARD

The vineyards used for Atlantis rosé, located in Episkopi, Pyrgos and Megalochori, are relatively young for Estate Argyros with an average age between 60-80 years old. The vines are basket pruned, and dry farmed. Grapes are hand-picked in August.

WINE PRODUCTION

Each grape varietal is vinified separately in stainless steel tanks, in order to preserve the unique, fresh fruit flavors. After fermentation, the wines are blended before bottling.

TASTING NOTES

This richly hued rosé highlights the unique flavors of Mandilaria. Bright and vibrant, with strawberry, apple and cherry flavors. The high natural acidity of Assyrtiko gives this wine a refreshing crispness.

FOOD PAIRING

A versatile summer wine that can pair with a variety of foods, ranging from light picnic fare to barbecued meats.

VINEYARD & PRODUCTION INFO

Soil composition:	Volcanic
Average Vine Age:	60-80 years
Harvest time:	August

WINEMAKING & AGING

Varietal composition:	90% Assyrtiko, 10% Mandilaria
Fermentation container:	Stainless steel tanks

ANALYTICAL DATA

Alcohol:	13.0 %
pH level:	2.9
Residual sugar:	2.7 g/L
Acidity:	6.2 g/L
