Côte de Brouilly Les Jumeaux 2016

WINE DESCRIPTION
Domaine Blain was founded in 2014 when siblings Lucie and Marc-Antonin Blain acquired 14 acres of vineyards planted with old vines on the slopes of Mont Brouilly in Beaujolais. Marc-Antonin maintains the vineyards and vinifies the wine while Lucie runs the business. Vinification occurs in Chassagne-Montrachet.

Marc-Antonin and Lucie own vineyards in the southernmost crus of Brouilly and Côte de Brouilly. Brouilly is the largest cru and gives soft and fruity wines, while Côte de Brouilly is a volcanic slope that offers more structured wines. Vines are Gobelet trained in the traditional and average vine age is over 50 years old.

Côte de Brouilly Les Jumeaux (“the twins”) is from 3.7 acres of vines planted in 1954, 1956, and 1996. The vines sit midway up the slope of Mont Brouilly where they grow in a unique soil of blue granite, pink clay, and sand (reminiscent of the Morgon appellation). Marc-Antonin uses up to 30% whole bunches with “Burgundian” fermentation for 20 days then aged in large wooden tanks ten months.

TASTING NOTES
Les Jumeaux is Marc-Antonin’s favorite of his three Beaujolais wines, He said, “It is attractive when young but has potential to age.” Les Jumeaux has more power, structure, and length than the Pierre Bleue, yet is very gentle and velvety.

FOOD PAIRING
Gamay has low tannins and refreshing acidity, making it an ideal red wine partner with dark fish such as grilled salmon or tuna. It can also be an excellent contrast to foods that are oily, fatty, or high in salt, such as saucisson sec or roasted meat. It is at home with classic bistro fare such as roast chicken or steak frites.
